

Telecommunications Minor Application Form

Students must submit this form to apply to be telecommunications minors. Note that enrollment in CS 460, CS 461, and CS 462 is limited to computer science and integrated science majors or minors and telecommunications minors.

Students seeking telecommunications minor status should apply the semester prior to the semester in which CS 460 is to be taken. Normally, students will apply during the semester in which they are taking 1) CIS 320 and 2) CS 239 or CIS 331. **Students who fail to apply before the last day of classes may be administratively dropped from CS 460 the following semester.** The decision for approval or denial of a telecommunications minor applicant depends on *space available for both CS and telecommunications minors and the applicant's academic record*. The decision is typically made after a student completes both CS 320 and one of CS 239 or CIS 331 (formerly CIS 344).

You must meet with the telecommunications minor advisor (Dr. Malcolm G. Lane) before you can submit this application.

Name:	Expected date of graduation:
JMU e-mail: @jmu.edu	JMU ID:
Major:	Concentration (if any):

A telecommunications minor requires *CS 239 or CIS 331, CIS 320, SMAD 256, CS 460, CS 461, and CS 462*. At most four courses can be used to satisfy both the telecommunications minor and a student's major requirements. In the table below, indicate all courses you have completed or are in the process of completing. If you have taken a course more than once, provide information on each time the course was taken (even if it was taken repeat-forgive). Courses for which you have received a grade of 'W' must be listed. *Leave the field for grade blank if the course has not yet been completed.*

Course	Semester/Year Completed or Semester/Year you are planning to take the course	Grade
<i>Check One:</i> CS 239 ___ or CIS 331 (344) ___		
<i>CIS 320 Telecommunications and Information Processing</i>		
<i>SMAD 356. Telecommunications Policy and Regulation</i>		
<i>CS 460 Local Area Networks</i>		
<i>CS 461 Internetworking</i>		
<i>CS 462 Network Applications Development</i>
